RE: Fiscal Year 2019 Bond and Capital Improvements Appropriation

Dear Senator Sokola,

Thank you for your recent clarification letter pertaining to the Fiscal Year 2019 Bond and Capital Improvements Act appropriations allocated to Wesley College. Being one of only two minority-serving institutions in the State, with a student body primarily from Delaware, and over 80% of our graduates serving Delaware communities after graduation, we are proud of the positive impact we have made on our State and region. Your steadfast support is very much appreciated and is critical in allowing Wesley College the continued privilege of providing educational opportunities and career paths to Delaware students that will meet the workforce needs of our communities and State – especially in critical shortage areas like Nursing, Healthcare, and Education – now and into the future.

All The Best,

Robert E. Clark II
President of the College
